

CES - PTA

The PAW Printers Program is underway!

Students in grades 1-5 received their PAW Printers folders before the holiday break.

PAW Printers is a PTA program where students write an original story and volunteers prepare a book for each student.

Instructions for the program are in the folder and the folders and stories are due back to school by **January 18th**.

Please encourage your children to participate in this fun and educational project!

HELP WANTED: Science Fair

Have a science background? We are looking for someone to co-chair this popular and educational event; we will also need volunteer judges.

Email Tammy Taschenberger at tammytasch@verizon.net to volunteer or for more details.

Random Notes from the PTA

NASA Club

Many thanks to Carol Streeter for running another successful NASA program! Look for flyers on the next session in the coming weeks.

E3: Expose, Explore & Experience

E3 is back – the first session will be on January 20th. If you are interested in volunteering for this great program – to assist or to create a program aimed at exposing students to new and interesting ideas – please contact Cindy Wood at cindynat@comcast.net

Holly Jolly Workshop

Special thanks to all of the volunteers who helped spread the Holly Jolly Workshop cheer! It was a great way to kick off the holiday season. In particular, we would like to thank the teachers who shared their time to the great delight of our students, and Cub Scout Pack 731 for cleaning up the school grounds, and Girl Scout Troops 808 and 1119 for their help with the face-painting.

Special thanks also to the Waugh Chapel Chick Fil A for their (always) generous food donations and our special guest "Santa Cow"!

Best wishes for a peaceful and care-free 2012!

Next Ledo Night is February 6

We are putting great Ledo numbers on the books – this fundraiser supports a local business and helps the PTA fund programs at CES!

The next Ledo Night is **Monday, February 6**. Come support our school, and register for your chance to win some great prizes!

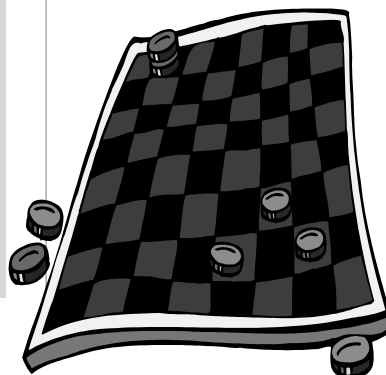

We're on the Web!

Look for links to valuable information on nutrition and Internet safety.

Join us for Family Fun & Game Night February 3!

This event is a great way to beat the winter blues!

On February 3 from 7 pm to 9 pm we will have bingo, carnival games and inflatables in the CES cafeteria.

Bring your favorite board or card game to share with others.

Admission is FREE and drinks will be provided. Please bring a snack or dessert to share.

For planning purposes, please RSVP to Lisa Hogan at pat.hogan5@verizon.net
