PTA membership meetings for the 2008-2009 school year

The CES PTA is pleased to announce a great line-up of programs at upcoming PTA meetings. Mark your calendars for these important meeting dates:

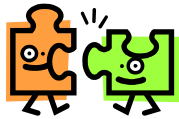

- **March 4** – CES PTA general membership meeting in the afternoon, 3:45pm, Media Center. Topics include “All About the Maryland State Assessment (MSA) Test” by CES principal Ms. O’Shea and presentation of candidates for next year’s CES PTA officers. Teachers will host a “kids club” for children while parents attend the meeting.
- **April 15** – CES PTA general membership meeting in the evening, 7pm, Media Center. Topics include election of 2009-2010 CES PTA officers and a presentation on document cameras: what are they, and how they help in your child’s education.

Ledo Pizza Night on February 2

Warm up with great Italian food on Monday, February 2, and benefit the school at the same time. No coupons necessary, and you can eat in or carry out.

Ledo Pizza at Eddie’s Place (near the post office) on Monday, February 2, from 4pm to closing.

Family Fun Night on February 6

Come to school on Friday night, February 6, and play with your friends and family. There will be activities for all ages, plus a return of last year’s popular inflatables. Bring at least one board game, physical game, card game, or puzzle to share (be sure to put your name on the box!). Bring a snack or dessert to share with everyone; drinks will be provided by the PTA. This fun family night is free from your PTA. If you missed the flyer that went home in backpacks, you can download information at www.ces-pta.com. For our planning purposes, please RSVP to pat.hogan5@verizon.net with how many will attend.

Scrip card orders due on February 9 and 23

Join the CES families who already support our school by buying and using Scrip Cards. It’s so easy: just buy cards from the PTA at face value for the stores where you already shop, and our school benefits. Cards can be purchased about every other week. Watch backpacks for the order forms, or get more information and download the order forms at www.ces-pta.com.

Science Fair coming to Crofton Elementary

The CES PTA is pleased to sponsor the 2009 Science Fair on April 21. Students in Grades K–5 are welcome to participate. Through their projects, students discover that science is found in every niche of the universe.

Application packets will be available in the main office and the Workshops. The application packet must be returned by Friday, April 1.

A Science Fair Workshop will be offered to help students prepare. This workshop is highly recommended but not required. The Workshop will be held after school on February 12 and March 12 – students should attend only one. A permission slip must be submitted one week before a Workshop in order to attend. Watch your child’s backpack for the permission slip or download it at www.ces-pta.com.

For more information about the Science Fair and Workshops, see www.ces-pta.com.

Experience the wonders of science at the Crofton Elementary Science Fair!
