All was jolly at the Holly Jolly Workshop

The Holly Jolly Workshop started off December with a jingle for hundreds of CES families. Thanks to all the volunteers who made this morning possible. Special thanks go to Ms. McCullough and Ms. Hernandez for being our helpful Bingo-Elves, and to Kim and Keith Long and to Sean Lane for the wonderful holiday music.

On a related note, many thanks to the Cub Scouts of Pack 731, who cleaned up leaves during the Holly Jolly Workshop. The Scouts raked and bagged about 300 bags of leaves from the parking lot, lawns, front landscaping, and portables area. Patuxent Companies donated a roll-off dumpster and then transported all the leaves to the dump. The school is safer and nicer looking now because of all their hard work. Thank you!

Scrip dates for 2009

Join the CES families who already earn money for our school while they shop! The Scrip program is so easy. You buy cards from the PTA at face value, then spend them at stores where you already shop, and the PTA gets a portion of the card's value. It doesn't cost you anything, but the potential for helping the school is enormous. Sound simple? It is! Cards can be ordered about every other week – the January deadlines are Monday, January 12 and 26. For more information about Scrip or to download an order form, check out our website at www.ces-pta.com, and click on "Scrip" at the top.
